The Process. Arte de Peru takes enormous pride in bringing you the finest handcrafted Peruvian mahogany doors. Our company offers outstanding design and engineering experience combined with a commitment to quality that is unsurpassed.

Design. To create your masterpiece, you will meet with our Arte de Peru designer. Our designer will support you in the creative process and offer guidance in achieving your vision. It's possible to re-create any historical period or architectural style. Upon design completion, we will work with your architect and construction manager to help engineer your specifications and dimensions.

Crafting. After your design and specifications are approved, our skilled artisans will build your door and jamb from the finest Peruvian mahogany. With decades of engineering education and expertise, our partner in Peru will personally ensure that your doors are crafted with the precision that matches your expectations.

Shipping. After your doors have completed the final quality inspection, they are individually sealed, crated and shipped to you.

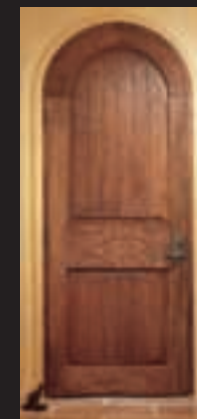

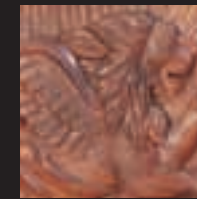

Specifications. Our doors are crafted to accommodate any size, engineering and architectural specifications your design may require.

Delivery. 90-100 days following confirmed order.

La Puerta . . .

They say the eyes are the windows of the soul. At Arte de Peru, our doors are mirrors of their creators, reflecting their unique style, personality and essence.

Arte de Peru presents The Mahogany Collection — custom designed and hand-built interior and exterior doors of the highest distinction and exquisite material. Let us show you how the portal to your home, your business, a five-star restaurant or a world-class spa, can be a timeless artistic statement — a work of art, a priceless heirloom. Unleash your imagination in creating a functional work of art, a masterpiece that projects an indelible legacy of who you are!

Affordability

From the ancient traditions of the Andes, artisans with generations of skill and craftsmanship bring rare distinction, literally, to your door. The ultimate in luxury . . . at a cost that dismisses the competition! Now, for the first time, the United States can experience the world's finest mahogany — Peruvian Mahogany.

The Mahogany Collection . . . expect nothing but the best! Your architect, your interior designer or the Arte de Peru team can design the doorway of your dreams. Carved from the world's finest mahogany, each door is sized to your specifications. Upon design approval, we will deliver your doors within 100 working days. The Mahogany Collection marries artistic skill in craftsmanship and state-of-the-art engineering that is very affordable.
